

HURST CASTLE SAILING CLUB

Junior Sailing 2024

Sundays in early and late summer. A full week with sailing every day from 26th to 31st July. Open to all Members' children or grandchildren age 6 and up. Activities for Beginners and more experienced sailors

April / May / June / July dates and timings

28th April – 10:00 – finish around 15:30

12th May – 10:00 – finish around 16:00

26th May – 10:00 – finish around 16:00

9th June – 10:00 – finish around 16:00

23rd June – 10:00 – finish around 15:30

7th July – 10:00 – finish around 15:00

21st July – 10:00 – finish around 13:30

All the times are when we intend to start sailing, so participants should be at the Club an hour or so before those times, to eat (always!), get changed and get the boats ready

We have twelve Club boats available for use, and access to various other Members' boats. Anyone bringing their own boat along is very welcome, otherwise the boats will be allocated in order of application.

The water will still be cold in May & June, so wet-suits and a wind-proof covering will be required as clothing (in addition to a buoyancy aid)

The sessions are organised by a parent leadership group. If you are interested in your children / grandchildren taking part, please make contact for more information:

Ian Day (07814 842556), John Simpkins (07421 319338), Peter Lewis (07957 144903)
